Preface

Keep in mind the following items of explanation when reviewing information contained in the Profile of Students Enrolled at The University of Iowa, Fall Semester 2014-2015.

1. A cut-off date of September 8 was used for all fall semester 2014-2015 enrollment statistics to achieve consistency both within the Profile and with other enrollment reports published by the University. Beginning fall 2004, The University of Iowa has moved the census date to the tenth day of the semester to bring it into alignment with the other Regents' institutions.
2. Entrance examination scores for the Henry B. Tippie School of Management and the Graduate College will be reported for the previous year's classes in order to include all available information compiled in these areas and to more accurately reflect the range of scores for the entire entering classes. The early date of preparation of this report would have allowed inclusion of only a fraction of these scores for students entering fall 2013. Entrance examination scores and G.P.A. data for the professional colleges of Dentistry, Law, and Medicine are reported for their fall 2014 classes.
3. Beginning spring 2003 the College of Public Health instituted an undergraduate and graduate program with the certificate being granted by the College of Public Health. All other Public Health students still receive their degree from the Graduate College.
4. Beginning spring 2003 the College of Nursing instituted a graduate program, Professional Masters in Nursing and Healthcare Practice, with the degree being granted via the College of Nursing. All other graduate degrees are still granted via the Graduate College.
5. Beginning spring 2006 the Roy J. and Lucille A. Carver College of Medicine instituted a graduate program, Masters in Medical education, with the degree being granted via the Roy J. and Lucille A. Carver College of Medicine. All other graduate degrees are still granted via the Graduate College.
6. Beginning fall 2006 two new tables were added. One showing historical enrollment by level with minority count from fall 1963 onward. One showing admissions data since 1981.
7. Beginning fall 2008 two new tables were added. One showing historical number of courses offered by days of the week for fall 1973 onward. Another one showing the same data for spring 1973 onward.
8. Beginning fall 2010 one new table was added. A table showing the Average Undergraduate Grade Point by class, gender and enrollment status was added.
9. Fall 2012 one new table was added. A table showing the one year retention, 4 and 6 year graduation rates was added.
10. Beginning fall 2014 students are reported in four levels in Section I to reflect what is reported to the Regents, undergraduate, graduate, first professional (students seeking MD, DDS, Pharm D (PHR) or JD degrees) and post graduate training (medical resident, fellows and post-doctoral students). MBA students are no longer counted in the Professional level. Students are reported in the previous categories for all other sections

Further clarification of materials contained in the Profile may be obtained by contacting Kathryn Stoltenberg, Thomas Kruckeberg, or Lawrence Lockwood, Office of the Registrar, at (319)335-0238 or email: registrar@uiowa.edu
